## DECADES OF CAREGIVING EXPERIENCE...

Weaving together the threads of a beautiful, long-lasting tapestry takes experience, insight and skill. While Tapestry Management may be an unfamiliar name in the Wickliffe area, Tapestry Management is well-known, trusted and respected in many towns and cities across America. We have earned our prominent stature by providing decades of person-centered senior living and healthcare services to hundreds of individuals, families and communities.

## ...WOVEN WITH THE LATEST TECHNOLOGY

Our work will always be rooted in humanity, but innovative healthcare technology allows our care giving team to be even more effective. These cutting-edge technologies can increase independence, enhance health, improve communication and generally improve the lifestyle of residents.

**Health Information Exchange** – connect with doctors and other healthcare providers more frequently, with less travel to hospitals or offices.

**SilverSphere™ Safety Alert Monitoring** – enjoy peace of mind with wireless monitoring that assures staff can respond to your loved ones needs.

**Eldermark Senior Housing Software** – facilitates continuity in your care through a secure data exchange that quickly shares information with relevant caregivers.

# SERVICES & AMENITIES

## AT TAPESTRY WICKLIFFE, IT'S ALL ABOUT YOU

Tapestry Wickliffe takes a person-centered approach to assisted living, enhancing the lives of individuals in a personalized and meaningful way. When you live in a Tapestry Wickliffe Assisted Living studio home, you'll receive customized support in a

community that embraces and fosters your maximum level of independence.

You'll receive personalized assistance with the activities of daily living, while also enjoying innovative programs and a robust calendar of activities and events. At Tapestry Wickliffe, assisted living is about empowering you to live

life to its fullest. Independence and choice are second nature with our robust services and amenities:

## SERVICES

- Personal care services
- Individualized health and wellness programs
- Monitored Emergency Response System
- Medication administration and pharmacy delivery services
- Weekly housekeeping and laundry services
- Scheduled transportation to medical appointments
- Scheduled outings to local destinations of interest
- Dining options at Wickliffe: Primo Café, Erie Grill, Garfield Dining Room, In-Room Dining

## EXCEPTIONAL LIVING

While your private apartment offers beauty and comfort, you'll be more than tempted to make use of the community's many amenities. Join friends and neighbors for a morning stroll in the tree-lined, indoor Central Park Atrium. Enjoy an afternoon coffee at The Primo Cafe as your grandchildren play on the deluxe indoor playset. Watch classic films in the Bob Hope Theatre or cheer for the Browns with your friends on our big screen TV. Cooking classes, social and educational events and community outings will fill our monthly calendar, shaped by your needs, your interests and your suggestions.

While Tapestry offers plenty to fill the busiest social calendar, you can also sit and enjoy the many indoor and outdoor spaces for a bit of quiet and relaxation.

Maybe grab a book and find a patch of warm sun in our indoor Central Park atrium. Or take in the sounds and scents of our Tapestry garden. When you come back in, don't forget to let our chef know how the tomatoes are growing!

## MEMORY CARE

Memory Care at Tapestry Wickliffe is offered in smaller, secure neighborhoods where residents have the personalized support they need in a more intimate and secure setting. The smaller scale allows more individualized programming in a relaxed atmosphere.

## AMENITIES

- Spacious private or semi-private apartment suites with private baths
- 24/7 emergency call system
- Motion sensor alarms
- Individually controlled heating and cooling system
- Cable TV access
- Dining, family and activity area
- Spa with therapeutic jet whirlpool tub
- Theater
- Full-service salon and barber shop
- Gated courtyard

## CENTRAL PARK

The heart of Tapestry Wickliffe is our huge indoor Central Park, featuring heated floors, trees, a children's play area and different dining options for residents. Maybe the best features are the windows, allowing folks to enjoy warm sunshine on even the coldest winter day.

Take a walk, enjoy the sound of grandkids playing on the playset, or just sit in the warm sun and visit.
