OUR STAFF

People Who Care

TAPESTRY CAREGIVERS SUPPORT YOUR JOURNEY

Tapestry is a special place because Tapestry caregivers are special people. We work hard to identify and recruit the very best caregivers; not just people who are skilled and knowledgeable, but also who understand that helping seniors with their journey is one of the most important and meaningful things a person can do.

Caregiving is tough work. The job can be physically and emotionally demanding. Our caregivers work as a tight-knit team, supporting and encouraging each other. Like any tapestry, our strength comes from individual threads brought together with a common purpose. Together we can accomplish truly special things.

Tapestry believes in the importance of personal and professional growth. That's why our caregivers are always learning and growing. Our goal, as leaders in this industry, is to help create the leaders of tomorrow.

FRIENDLY LIVING

Family & Friends

Here at Tapestry Walden, our schedule revolves around your schedule. Our services are matched to meet all of your unique needs. You chart the course and we help you along the journey. We show this commitment in things like our signature All Day Dining, which offers your choice of restaurants at your convenience. We show it in how our nurses deliver customized, person-centered care for those who live in our spacious, assisted living apartments. We show it in how our memory care team helps residents and families thrive through a variety of services catered to fit you.

"When I walk into Tapestry Walden, I just feel like I'm home." We hear this sentiment a lot because people care and take pride in this community. It shows in how we hosted Assisted Living and Memory Care residents displaced by hurricane. It shows in our commitment to understanding your unique needs via our Person-Centered Care. It shows in how Assisted Living and Memory Care neighbors stay active; fishing, touring brewpubs and worshipping together. But perhaps most of all, it shows in the smiles and hugs from our Tapestry Walden team members.

*When I walk into Tapestry Walden,
I just feel like I'm home.*
