His affiliations with numerous health systems in the area provides for complete coverage of medical and care needs for the residents of Tapestry Moon Township. Dr. Jackson is a board-certified internal medicine and palliative care expert. He has been selected multiple times as Best Primary Care Physician by the Beaver County Times, PA Top Docs in 2023, and America's Top Docs for 13 consecutive years.

*"My expertise in internal medicine, palliative care, and hospice allows us to maintain people at Tapestry Senior Living in most cases until the day they pass away, so that they can remain in the environment they are accustomed to. The most important thing is to have a clear understanding of the patients' and their families' goals of care. Communication is critical. I believe in maintaining a close communication dialogue with family members so that everyone has an understanding of diagnoses, prognosis, and treatment plans".*

*"I have people like you and your staff (at Tapestry Moon Township) to thank for receiving this award".*
